

This program was established under ACT 178 of 2005 to help reduce the Commonwealth's dependence on imported oil and to improve the environmental quality by using alternative fuels.

Hybrid Electric Vehicle Rebate Form

Send for your rebate today!

Please print legibly and be sure to attach all required documentation as described in the *Rebate Program Guidance*. Failure to do so will result in the form being returned to you and may result in a rebate not being issued. Please complete the rebate form, attach all required documentation and mail to: DEP Grants Center, HEV Rebate, PO Box 8776, Harrisburg, PA 17105-8776. Questions? Please contact the HEV Program at 866-294-3854, 717-214-3492 or by e-mail at epafiginfo@state.pa.us.
