- All the transaction, payment and personal information is considered confidential and will not be released under any circumstances.
- Vehicle Purchase Protection program security measures are constantly reviewed and modified given evolving circumstances globally.
- Our main and constant priority is the safety of our customers.

If you are not familiarized with Money Gram Money Transfer services please visit : www.moneygram.com.

Pay for the transfer with cash at a local Money Gram agent. Money Gram agent locations are independent businesses that provide money transfer service to their customers on behalf of Money Gram. Money Gram agents are primarily banks, post offices, exchange offices or retail locations - grocery stores, mail box centers, drug stores, travel agencies, depots, other retail locations.

Independent Money Gram agents may impose different limitations on the maximum amount that can be submitted per day. For this reason, in case of a larger amount to be sent, we recommend that you go to more than one agent and submit the total sum in separate transfers.

- When payment is received, it will be verified and secured into a non-interest bearing trust account. Payment verification process usually takes less than 24 hours. After payment is secured, the Seller is notified that payment was made.
- The Buyer receives the vehicle and has 10 business days to inspect it. If it is complete and as described, the Buyer should accept the vehicle. If he refuses the vehicle, the vehicle will be picked up by our shipper back to the Seller within 5 business days.
- After the inspection period is over, the Buyer must contact eBay Financing Center Customer Support with the result of the inspection. If the Buyer refuses the vehicle, the refund will be sent to the Buyer . If the vehicle is accepted, eBay Financing Center Department submits the payment directly to the Seller within 3 business days.
