## NEW SPARK PLUG

PART NO	STOCK NO
<b>IFR5T11</b>	<b>4996</b>

NGK, an Original Equipment spark plug supplier to Toyota for the Prius model, are pleased to announce the availability of the spark plug IFR5T11. Designed specifically to replace the NGK Original Equipment spark plug IFR5A11, the features of this premium performance spark plug include Laser Welding technology to attach the Iridium tip to the centre electrode. A Platinum chip attached to the ground electrode, further increases spark plug life

Application detail for this spark plug is contained within the 2006 NGK Spark Plug and Glow Plug Catalogue.
