Katzkin Leather Seat Upholstery for the Toyota Prius will give your Toyota a custom interior as unique as you choose. Katzkin's standard automotive leather interior kits are the softest and most durable in the industry. The experts at ShopSAR have been premier Katzkin dealers with 30 years of experience in designing and installing Katzkin Leather Seats, and can help you put together the perfect leather interior from Katzkin's selection of over 50 colors and styles, from factory style single tone leather seats to custom two tone kits with Suedekzin or Barracuda inserts. Whether you want to upgrade the factory cloth, replace worn leather, or personalize a one of a kind leather interior kit, ShopSAR and Katzkin is a team you can trust.
