Our Most Fuel-Efficient Tire. MICHELIN® Energy™ Saver A/S tires are the most fuel-efficient tires on the road without compromising safety, wear or a quiet ride.[2](#)

Features and Benefits

- **Up to 8% more fuel-efficient than standard tires to save you money**[3](#)

EnergySaver Construction™, combined with a special type of tread rubber, keeps the tire cooler - helping your engine to improve its fuel efficiency.

- **Stops up to 8 feet shorter for added safety**[4](#)

Silica-based unique tread rubber compound provides all-season traction and no-compromise stopping performances to keep you safe without trading fuel efficiency.

- **Reduces CO2 emissions as much as planting 40 trees**[5](#)

Lower rolling resistance requires less effort from your engine and helps reduce harmful CO2 emissions from your vehicle.
