MAINTENANCE

You are responsible for performance of the required maintenance in the *Owner's Manual* and the *Scheduled Maintenance*. Toyota will not deny a warranty claim solely because you do not have records to show that you maintained your vehicle. However, if noncompliance caused by lack of maintenance is not covered by this warranty.

When maintenance and repairs are paid for by you, these repairs may be performed by you or by any automotive service provider of your choice. Toyota will not deny a warranty claim solely because you did not use a service provider other than a Toyota dealership for maintenance and repairs. However, any failure or noncompliance caused by improper maintenance or repairs is not covered by this warranty.

*Warranty coverage for the hybrid battery is 10 years or 150,000 miles, whichever occurs first.
